## Playing for a Purpose

The Nutrition Program provides meals to elderly and disabled persons five days a week through home delivered and congregate meals across eleven counties. SWHRA proudly represents Meals on Wheels and understands the struggle for seniors is real. In many cases, the recipients would not have food to eat nor outside contact for weeks if not for this program and its AWESOME volunteers. The money raised through this tournament will benefit this great program and its efforts to combat food insecurities for those it serves.
